

# Covid-19 Sports Reminders

WILMINGTON  
— PARKS & REC —  
time well spent

## Daily Symptom assessment

All players, coaches and spectators must conduct daily symptom assessment at home before each practice or game.

Anyone experiencing symptoms **MUST STAY HOME.**

## Check your temperature.

All players, coaches and spectators must take their temperature at home before each practice or game. Please stay home if you have a temperature of 100 degrees or higher.

#IN THIS  
TOGETHER   
Ohio

## Wear a Mask

All players, coaches, officials and spectators **MUST** wear a mask at all times. Even while sitting with people within your household.

\*\*\* Players do NOT have to wear a mask while playing but WILL need to wear a mask while on the sidelines \*\*\*

# I WANT  
# A SEASON  Ohio

- Wear a mask
- Socially distance
- Wash your hands

## Spectators

Only family members who live within the player's household are allowed at practices & games. Family members **MUST** sit together, socially distanced from other individuals/family groups. **There will be no bleachers at the soccer fields so please bring your own lawn chairs.**

\*\*\*No congregating before or after practices or games is allowed. \*\*\*
